

Dear Bucks Run Reserve Residents,

The Bucks Run Reserve HOA Board of Directors hope that all residents have continued to stay safe and healthy during this pandemic.

As many may already know, the 3rd quarterly HOA payment was due at the beginning of July. If you did not receive the coupon for payment, please contact KEB at 239-262-1396 and they can update your mailing address and get you an invoice via email during the call.

It is getting close to the time that we need to schedule the fall mulch installation. There has been some conversation in the neighborhood about changing the mulch color to a more contemporary darker mulch. We would like you to answer a brief survey about this so we can gauge the neighborhood interest in a new, darker color.

Please only submit one response per household to this survey by August 19th:

<https://www.surveymonkey.com/r/WJKVKFQ>

If we do change to the darker color, we would cover the old mulch so for a time there will be some mixture of dark and original mulch depending on how the original was installed. Please be aware that in order to keep costs down, the switch might come with some growing pains.

As before, we understand that parking is at a premium in our neighborhood. Please remember to keep cars off of the grass (and the sprinkler heads) and if at all possible, do not park across the sidewalks.

We thank you for all your help to keep our community beautiful!

The Bucks Run HOA Board of Directors
